**Anything you would like to say to Dr. Rajhans :**

Dr. Rajhans was my teacher and program director for PGDEMS course at Symbiosis University. I saw the zeal and zest in the field of Emergency medicine and EMS in him. He was keen to transfer that passion to his students as well. A role model who kept us motivated, taught us to dream and achieve BIG.

His smiling face always made my day! Thank you Guruji...

## Important photographs related to EMS:

During a Panel discussion on 'Scope of Practice of EMS Specialist in the Kingdom of Saudi Arabia' during the 1<sup>st</sup> Saudi Forum on EMS Education. With Dr. SV Mahadevan-Stanford School of Medicine , Mr Peter Allum - University of Plymouth, Mr. Kenn and Lloyd Christopher-Cape Peninsula University of Technology, Cape.
