Anything you would like to say to Dr. Rajhans :

Sometimes it can be difficult to find the right words to say to someone who means so much to you. It is difficult to bind my feelings for you in mere words but I would still say that, Sir you are a wonderful teacher, have been a caring boss, a dynamic leader, and a close friend to rely on. You are everything I could look for in a good mentor. You groomed me to be a sound professional and you make working with you an interesting and memorable experience. I will always be grateful to you for your support and kindness.

Thank you Dr. Rajhans for being the guiding Star.
